6) The municipal collection 87-41-33 has since been traced & put up for favour of perusal as directed above. Kind reference is made to Gov. Dy 15/5/43 flagged 'A' directing that the remaining portions of the Comprehensive drainage scheme for Tawhiti town may be deferred for the present and that the independent drainage work estimated to cost Rs 10,792 may be proceeded with as an unemployment relief work.

7) The original estimate for this work was for Rs. 11,600/- It was revised to Rs 13,992/- which was sanctioned. It has now undergone a further revision to Rs 16,139/-, resulting in an estimated cost of Rs 2147/-, which is proposed to be met by the Govt & the Bld in equal proportions.

8) Since the Govt are already committed to the expenditure by sanctioning the estimate for Rs 13,992/-, & the excess cost is Rs 1073 may I have sanction of the over-expenditure grant for the current year the other half will be met by the Tawhiti Town Bld. Necessary Rs 2,147-14 may please be asked to be provided with the least possible delay.

9) Can we not be relieved of this Law suit from U.S.W.S. & the Wan? Govt Council nothing about the increased cost & decision of Govt & Mayor & Councillors?
